GRINNELL Products and Pipeline Products

Making Connections...Building Solutions for You

Together, GRINNELL Products and Pipeline Products Offer You Over 200 Years of Proven Expertise

GRINNELL Products and Pipeline Products have formed a partnership to offer professional contractors the best quality grooved piping products and superior customer service in the business. This partnership provides customers with exceptional product availability, personalised technical support, and the industry's best *10-year Limited Warranty.

Building a valuable partnership to better serve you.

GRINNELL, a premium brand of Tyco International, delivers quality piping solutions for a full range of mechanical, HVAC, mining, commercial, industrial, institutional, and governmental applications. Available products offer contractors, engineers, and distributors faster, more cost-effective tools for joining pipe over traditional welding methods. Innovative GRINNELL products include couplings, fittings, mechanical tees, valves, and accessories as well as complete systems for joining copper, stainless steel, plain end, G-PRESS press-fit, HDPE, and G-MINE PVC components. Comprehensive, competitively priced engineering and planning support services provide labor and cost savings. All GRINNELL products are backed by an industry-leading, 10-year limited warranty *except for G-MINE products, which carry a six-month warranty.
